## PRINCIPAL'S LETTER

Dear Parents,

Welcome to Anaheim Discovery Christian School. We are grateful that God has brought us together. The daily care and training of your student is very important to us as a staff. A strong emphasis is placed on the home/school relationship. This helps to insure a pleasant experience for your student. If you have any questions or problems, please contact us immediately.

May the Lord richly bless us as we work together to train up your children in the way they should go.

In His Service,

Pastor Victor Chayasirisobhon  
Chief Administrator  
Anaheim Discovery Christian School

## **MISSION STATEMENT AND GOALS**

### **“Reaching the WORLD for Jesus Christ, one student at a time”**

We believe that Anaheim Discovery Christian School was established by the Holy Spirit and exists to provide spiritual and academic development for students, staff, parents, guardians and the school community. The Anaheim

Discovery Christian School believes that each student was created by God with unique, individual gifts to ultimately be developed and used for God’s ordained purpose in life. Our faculty’s primary purpose is to be an example of Christ like behavior so that each child will commit his or her life to Him.

Next, our faculty attempts to promote a disciplined academic environment wherein each student is challenged to develop his or her mind to its ultimate God-given potential. Daily assignments, homework and tests are an integral part of this inclusive process.

Then, we strive to train students to be academically strong, stalwart and responsible Christians who use Biblical values and principles to actively participate in decision making and community involvement. We also strive to teach the strong Judeo-Christian historical foundation upon which America was founded in order that our students will desire to continue to maintain these tenets.

Finally, our ultimate goal is to send out citizens with a Christian world-view who exemplify Christ and are ready to go and seed the world for Him.

## **WHAT WE BELIEVE**

We believe the Bible to be the inspired, the only infallible, authoritative Word of God.

We believe that there is one God, eternally existent in three persons: the Father, the Son, and the Holy Spirit.

We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His resurrection from the dead, in His ascension to the right hand of the Father, and in His personal return in power and glory.

We believe in the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature; and that men are justified on the single ground of faith in the shed blood of Christ, and that only by God’s grace and through faith are we saved.

We believe in the resurrection of both the saved and the lost; the former are saved unto the resurrection of life, and the latter are lost unto the resurrection of damnation.

We believe in the spiritual unity of believers in Christ.

These notes must be turned into the office and will be stored in the student's cumulative file. *If a student is driving other students without written permission or brings a car on campus without permission, they will immediately be suspended for 1 day and will not be allowed back into the school until a meeting is had with the administrator or designated employee of the school. This meeting must be attended by the student's guardian or parent.*

## **DRESS CODE**

We take pride in the appearance of our students. Although the appearance of young people is primarily the responsibility of the parents/guardians, we expect the students to maintain an appearance that is not a stumbling block or distraction to teachers or other students. As a Christian school, we must maintain Biblical standards of modesty. Our students' dress reflects their conduct, the attitudes and also the quality of the school. There is a definite relationship between good dress habits, good work habits, and proper school behavior. Wise parents/guardians will see that their students stay well within the guidelines so that there will be no question or embarrassment.

### **Boys**

Boys may wear pants or jeans that are neat and clean and without holes. Boys' shirts must have a collar either buttoned or polo type. T-shirts are permitted on Fridays only. The student may be sent home at the administrator's discretion.

### Girls

Girls may wear pants or jeans that are neat, clean and without holes. No tight stretch pants or jeans. Dresses or skirts may be no shorter than **3 inches above the knee.** If your student sits down and her skirt is more than 3 inches above the knee, the skirt is too short and must be changed. All Junior and Senior high school girls may wear shorts that have been pre-approved by the administration.

Sweat shirts may be worn if they are not sloppy in appearance. Girls may, however wear one earring in both ears. **No visible tattoos are allowed. No gothic clothing (or total black clothing) or jewelry is allowed.**

Our goal is to train your student in the "Nurture and admonition of the Lord." If we are to adequately teach your student, we need to be free of distractions and attitudes. We ask for your support in these regulations.

## **DISCIPLINARY PROCEDURES**

Students at the Anaheim Discovery Christian Schools are expected to display exemplary Christian character traits. Utilizing the basic “Rules and Regulations” attached, every effort will be made to guide students to live each day in a manner that leads to or shows both their love and faith in the Lord Jesus Christ. It is our desire not only to teach God’s Word but to encourage our students to model Christ like conduct wherever they are, at school or home or in their community. Repeated violations of the “Rules and Regulations”, whether at school, or in the community, will result in the disciplinary actions listed below to be utilized. We firmly believe that gracious, but firm discipline administered properly, will help students to choose the right decision over the wrong one, and thereby to honor God.

### ***CLASSROOM EXPECTATIONS***

In maintaining an orderly classroom environment the faculty will establish behavior guidelines deemed necessary using the attached “Rules and Regulations” as a guide.

Under normal circumstances, classroom disturbances (i.e. disruption of the Educational Process) will be handled by the teacher. Depending upon the nature of the offense, teachers may hold a lecture discussion with student, issue student warnings, lower the students citizenship grade, recommend the student for detention, issue minor or major referral notices and/or request a formal conference with the parent, student and (if appropriate) an administrator.

### ***MINOR (SECONDARY) AND MAJOR REFERRALS***

A referral is a written notice regarding a student’s unacceptable behavior in class or out of class. It is a method of written communication between faculty, parents/guardians and (always in the case of a referral) administration – a copy of the referral is sent home for signature to make parents/guardians aware of the difficulty with the students’ conduct. A referral becomes a part of the students’ file. Minor referrals include \*incidents: such as talking in class. Major referrals would include more serious incidents: such a disrespect shown to a teacher. Two minor referrals for the same type of situation will constitute a major referral. Three of any type also constitutes a major referral.

Students may have referrals removed from their record after completing an \*agreed upon (by the involved teacher – the teacher who issued the referral) period of exemplary conduct or action.

Referrals will be handled (depending upon the problem and number of occurrences) by the teachers and administration using one of the following actions. Students with multiple referrals may also be requested to appear before an administrator and the Student Council elected representative to be questioned by their peers as to what corrective action can be taken to help them to not receive future referrals.

### ***DETENTIONS AND CORRECTIVE ASSIGNMENTS***

Detention and Corrective Assignments are disciplinary tools, which caused the student to spend personal time (either during school or before or after school) in order for him/her to reflect on his/her failure to live up to the standards and expectations of the school. Detentions and Corrective Assignments may be spent in silent reflection, physical work or in another appropriate manner, as determined by the teacher and/or \*administrator. The most serious incidents of improper behavior or the receipt of previous major referrals may also cause a student to be assigned to Saturday detention at an hourly rate to be paid by the parent. The details of the serving of the detention will be determined by the teacher and administrator and will be fully communicated to the student and parent/guardian (if deemed necessary).

### ***SUSPENSION***

A student may be suspended from attending class (in school suspension) or from school (out of school suspension) by the administration for serious and/or repeated violations of the previously mentioned “Rules and Regulations”. Suspension generally may result from (but is not limited to) situations where the minor and major referral processes

have already been used (and could include out of school actions also). The following are some examples of when suspension may be used as part of the disciplinary process.

- Willful destruction of school property
- Willful disobedience
- Defiance of authority
- Profanity or vulgarity
- Refusal to obey ADCS rules
- Stealing
- Drugs
- Alcohol
- Cigarettes
- Weapons on campus
- Sexual impropriety
- Physical contact/harm/fighting with another student
- Off-campus illegal or other actions harmful to the school's reputation
- ***Receiving 3 or more major referrals***

Further the school recommends that if possible they should not be brought to school.

11. The following are grounds for referrals, suspension or expulsion:
  - Willful destruction of school property
  - Willful disobedience

  - Drugs
  - Alcohol
  - Cigarettes
  - Weapons on campus
  - Sexual impropriety

## PROBATION

It is the policy of ADCS that all students are considered as being on a probationary status during the first few weeks of school. Students with no serious academic, attendance, behavioral or financial problems will be automatically removed from this status at the end of eight weeks. Students may also be placed on probation for academic attendance and/or disciplinary reasons, as part of the disciplinary/review process. *The probationary period will be determined by the administration and will last for a set time period, at the end of which the student will have his/her case reviewed.*

The student must show definite improvement in order to remain at the Anaheim Discovery Christian School. The specific stipulations of a student's probationary contract will be determined on a case-by-case basis.

## EXPULSION

This final disciplinary action may constitute permanent removal from Anaheim Discovery Christian School. This action may be taken by the administration's recommendation to expel a student. The parents may appeal this to the Principal/Administrator within three days of notification of the expulsion. The final appeal is to the School Board. *The School Board's decision is final.*

## ATTENDANCE POLICY

1. A Student is ALLOWED fourteen absences PER CLASS, PER SEMESTER. This represents approximately one-seventh of the semester. **A student ACCUMULATING FIFTEEN ABSENCES in a semester will be withdrawn from the class without credit.**
2. All absences are counted toward the maximum EXCEPT:
  - a. Verified doctor or dental appointments.
  - b. Injury or illness verified by doctor or parent.
  - c. School activity.
  - d. Religious holiday
  - e. Death in the immediate family.

When a student accumulates absences not excused under the program as outlined above:

### *Twelve class absences:*

1. Absences will be deleted that are school activity, religious holiday, verified by a doctor or dentist, or if there is a death in the immediate family.
2. If 12 absences remain, a case conference will be held with the student, parent/guardian, and principal.
3. Tardies - ***Three unexcused tardies is considered one absence a quarter.***

Absences for field trips, assemblies, athletic events: All students are responsible for class assignments, tests, etc. that are assigned or due on the day of the field trip.

**PARENTS or GUARDIANS SHOULD CALL THE OFFICE WHEN STUDENTS ARE ABSENT. UPON RETURN, STUDENTS WILL NEED TO GO DIRECTLY TO SCHOOL OFFICE WITH A NOTE FROM THE PARENT, STATING REASON OF ABSENCE AND DATE. IF A STUDENT IS OUT FOR 3 DAYS A NOTE FROM THE DOCTOR IS REQUIRED.**

## Closed Campus and Leaving Campus

**ADCS has a closed campus policy to all students. Permission to leave campus during the school day can only be authorized by the attendance office.** Requests to leave campus must be in writing and signed by a parent. The request should be submitted to the attendance office on the day of the request, before school. The attendance clerk will ensure that the student is signed out of the school by an authorized adult. **Upon return, the student must secure a readmittance slip, which will be given by the attendance office upon the student's return to school. Students who leave campus without an off-campus pass will be considered illegally off campus.**

## MEDICAL INFORMATION

### Communicable Diseases

If your student gets any communicable disease during the school year, we require notification to the school office immediately. We endeavor to take every precaution to keep illness to a minimum among our students.

### Accident or Illness

In case of accident or illness, your student will be sent to the school office and, if deemed necessary, you will be notified to pick him/her up.

Please do not bring your student to school if he/she has a fever, nor allow him/her to return until his/her temperature has been normal for at least 24 hours. Upon returning to school, the student must come to the office to check back in. If your student is absent five days, he/she will need a doctor's permit to return. Also, the school reserves the right to ask for a doctor's permit if, in the judgment of the administration, the student is not well enough to be in school.

### Dispensing Medication

The following regulations will be observed regarding giving medicine to students.

1. Any medication to be taken by a student on school grounds must be administered in the school office by office personnel only.
2. All medication must be in a prescription container, properly labeled with the student's name, dosage, time of administration, name of physician, and name of pharmacy. No over the counter medication. All medications must be immediately turned in to the office upon the arrival of the student. If your student is to receive a prescription, a medical release form should be picked up in the office and filled out.
3. Never send medication of any sort along with the student's lunch.
4. Please include a spoon (preferably disposable) if needed.

### Insurance

**It is understood, according to the enrollment application, that every parent or guardian will maintain their own medical/dental insurance for their student.**

If you intend to drive on field trips, the school requires that you carry a minimum of \$50,000/person, \$100,000/accident or \$100,000 combined. Without this coverage, you will not be allowed to drive other students.

## ACADEMIC INFORMATION

### Homework Policy

Students should be prepared to spend an average of thirty minutes (30) per day doing homework for each core academic course taken. Projects, special collections, semester notebooks and other such long-term assignments will not be included in the regular allotment of time. If a student does not appear to have sufficient homework to meet the minimum standard as stated above, parents are urged to contact his/her teacher or a counselor to discuss the situation.

## **Makeup Work**

The students of ADCS are responsible for the work missed during an absence. Work being made up should not be considered as a form of punishment, but rather as a conscientious effort on the part of the teacher to assist the student in maintaining his level of achievement, and on the part of the student to meet his responsibilities. Makeup work will be graded as any other work. If a student has been absent for disciplinary reasons, the action will be reflected in the citizenship grade. **No makeup class work or homework will be accepted for an absence due to a first suspension. No makeup class work, homework, quizzes or tests will be accepted for an absence due to a second suspension. A third suspension will be cause for expulsion.**

## **Academic Honesty**

Academic honesty is a fundamental principle of scholarship.

Content of research papers is expected to provide a means to distinguish a student's own work from the work and ideas of others. Credit must be given to the source of the ideas or words of another. Students are expected to do their own work on tests, neither giving assistance to other students nor getting assistance from other students or sources.

## **Appointments with Teachers**

We encourage you to discuss any problems concerning your student with the teacher. Please consider, however, that the teacher has extracurricular duties. In addition to teaching, their professional obligations include parking duty, faculty meetings, administration appointments and sports activities. We ask you to make all appointments through the school office.

## **THE ROAD TO SUCCESS**

### **Commitment to Academic Excellence**

ADCS believes that schools have the responsibility to teach students the basic skills to be successful in life. However, educating students is a three-way responsibility shared by each individual parent, the student, and the school. **Without all three parties cooperating, success will be limited.**

All students will receive progress reports mid-term the first quarter. Progress reports will be sent mid-term on the second, third and fourth quarters to students whose grades have dropped since the previous quarters, whose grades have improved, or who are currently earning D's or F's. 4. Step Four: Wait for a response—*within a week*—keeping in mind that the appropriate manner in which to handle all issues is by following the Matthew 18 principle, one-on-one.
5. Step Five: You can expect a call from the Chairman of the Board.

\*Bear in mind that the board prayerfully considers and makes recommendations in forming all policies and procedures; yet, there is always room for suggestions.

\*As a school family, let's continually strive to work in harmony for the betterment of our students.

### **Tardiness**

School starts at 8:30A.M. Students arriving later than 8:30 A.M. are considered tardy and must have a written excuse for admittance to class. Three unexcused tardies each equal one absence in the student's record.

### **Visiting the Classroom**

Occasionally various individuals wish to visit a particular classroom. In order for the teacher to function most efficiently, it is necessary that appointments be made through the office. Try to give several days notice in advance, if possible, so that the classroom schedule will be maintained, and so that we can work out an appointment that will be meaningful for you. We ask that the person visiting come to the office at the appointed time, then the principal or an assistant will go with you to the classroom.

### **Summer School**

Summer school is available for those students with failing grades, or who would like to improve there skills. International Students who arrive two weeks after normal instruction has begun are required to take summer school. *Every new international student is required to take summer school in the summer following their first academic year at ADCS. They must take the English as a Second Language class offered by the school, no exceptions will be made.*

### **Money at School**

Students are discouraged from bringing a large amount of money and are also discouraged from bringing electronic devices to school. *The school is not responsible for stolen/lost money or physical property.* If for any reason a student needs to bring a substantial amount of money, he/she should turn it in to the financial secretary or office immediately upon his/her arrival.

### **Office Hours**

School business may be transacted from 8:00 to 4:00 P.M. weekdays. Appointments for a conference with the principal should be made ahead of time in person, by phone, or in writing, to avoid confusion and disappointment.

### **Chapel**

Chapel is held each Thursday. Chapel attendance is mandatory for all students and staff. Parents are invited to attend at any time. The students sing, pray, enter into worship, enjoy Bible study and special speakers. Christian programs are often presented by the various classes. People attending chapel are expected to conform to the school's dress code.

## **Testing**

All students take the Stanford Achievement Tests every year. Please check the school calendar for the testing dates. 10<sup>th</sup> Graders have the opportunity to take the PSATs if they would like to but they must sign up at the office. 11<sup>th</sup> and 12<sup>th</sup> graders also have the opportunity to take the SAT and ACT throughout the year. Please check the School bulletin board or ETS website for details of when and how to sign up.

## **Lost and Found**

It is important that all personal belongings be marked clearly with the student's name so that they may be returned if lost. Every month we have a tremendous amount of unclaimed belongings that we have to dispose of for lack of space. We periodically donate them to a needy cause. This can be eliminated if parents/guardians will put their students' names on everything they bring to school. Please explain to your student the importance of remembering to care for their own things.

## **Lockers**

Every student will be assigned a locker and a locker combination. The student is responsible for the lock on their locker and maintaining the cleanliness of their locker. Any damage done to the locker or lock must be paid for by the student's parents or guardian. If a lock is lost, a replacement fee of \$5.00 must be paid to the school so that the school may replace the lock. No student is allowed to buy and use their own locks on the lockers. *Occasional locker checks will be performed to teach the students to keep a neat and tidy locker.*

## **Faith Christian Academy (FCA)**

We are blessed to have two institutions of learning on campus. The first is the Discovery Christian Academy fka Anaheim Discovery Christian School whose form of educational is traditional and mission based. The second is Faith Christian Academy which is ACE accredited and whose form of education is by using PACEs and is discipleship based. Their schedule is different from ours, including lunch time and operating hours. Students from Discovery Christian Academy are not to interact with FCA students during school hours nor are they allowed to enter any of the FCA rooms without specific permission from a school administrator. *Any interaction violating this rule is punishable by a 1 day suspension and parent/guardian/teacher conference.*

## **New Students**

New students at Anaheim Discovery Christian Schools are accepted on a quarter probationary status. At the end of the quarter, evaluation will be made to verify proper placement of the student. Any new international student that is accepted after the 1<sup>st</sup> quarter of the year may not receive full credit for the year which may result in a delay in graduation.

## **Internet Usage**

The internet is NOT allowed to be accessed by students unless they are given permission by the teachers/staff in their respective classrooms. Permission in one classroom does not constitute permission in a different classroom. If students use this, their devices will be confiscated.
