STATEMENT OF UNDERSTANDING:

Anaheim Discovery Christian School requires every international student who comes to our school to be financially responsible for 2 years of education including a 6-week summer session. The student may transfer or quit but they will still be responsible for paying for **2 years of education**. ADCS does not require the TOEFL examination and will enter the student directly into normal curriculum of the school regardless of English level. Our ESL curriculum handles any English language issues that a student may have.
